This has become my mantra and my lifeline, having recently lost my memory due to a scary natural disaster. Yeah. I have amnesia. Messed up, right You dont know the half of it. Not remembering anything has turned my world upside down. My parents try their hardest to remind me of who I was, but it doesnt feel right. Or, if what theyre saying is true and that really was me, Im not sure I like that person very much. And then theres my love life. Apparently, Gavin Ariastasis is my oldest and best friend in the world. Also, apparently, weve never dated. But now, noticing him for what feels like the first time, hes making my heart do somersaults. He knows me inside and outthe real me. Plus, hes sexy and charming as hell. Sounds perfect, right But then. . . theres the new guy. Quinn McKeyen tall, gorgeous and deliciously American. His mischievous grin and slow Midwestern drawl turn my insides to mush in two seconds flat making me question who I really am and what I really want. Seriously. What am I supposed to do with all that! I feel torn between them, but I barely even know who I am, let alone what I want. I just hope my indecisive heart will clue me in. And sooner rather than laterbefore I lose what little of my mind that I have left. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
