Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

iUniverse, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The world today is a complex place, and quality of life--yours and your family s--is more important than ever. The chance of getting saddled with pitfalls has never been greater. Congestion, crime, greed, immorality, and indecency top the list of ills that exist in far too many locales in this country. Overwhelming bureaucracy, unseen loopholes, and outright deceit are valid concerns in any real estate transaction. You simply can t afford to buy a home blindly. To avoid the pitfalls that plague far too many places, you need to arm yourself with as much information as possible. Safe Sound--How to Buy A Safe, Private, Quiet Home is designed to do just that. Written by a veteran law enforcement officer, Safe Sound is chock full of vital home buying information that doesn t exist elsewhere. In four vital categories--security, road and traffic safety, nuisances, and catastrophe precautions-- Safe Sound identifies hundreds of quality of life variables involved in the purchase of a home, including a host of things you won t notice, your real estate agent won t think of or inform you about, and the sellers of the home won t--and aren t required--to tell you.
