Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

AVON BOOKS, 2014. Paperback. Condition: New. Language: English . Brand New Book. The Cowboy Derek Chandler used to be all play and no work, but these days he has a rodeo to run and a chip on his shoulder. He s made some mistakes in the past, and, in a family that prizes loyalty above all else, it s time to prove that he s a part of the team. The Angel Angela McCallister is a reporter on a mission. She s looking for the scoop of her career to replenish her savings and get her troubled father the help he desperately needs. But the story seems to have run dry, and her plans certainly didn t include falling in love with a sexy, brooding cowboy who calls her Angel. Together They must learn to trust one another. It s hard for Angela to be her usual, guarded self around the close-knit family at the Findley Brothers ranch, and although Derek suspects his Angel is hunting for a story that could destroy his family, he can t keep his hands off of her. Their connection is instant, but will the Cowboy and his Angel allow themselves to give in to passion?.
