SIMON SCHUSTER, United States, 2007. Hardback. Condition: New. Language: English . Brand New Book. Andy Stern, one of the most visionary leaders in America today, has fought relentlessly to ensure that Americans hard work is rewarded in today's hypercompetitive, globalized world. As the newsmaking president of the fastest-growing, most dynamic union in America, he has led the charge for modernizing the house of labor -- taking unions out of the past and into the twenty-first century. He has spearheaded the campaign against the Wal-Marting of jobs and has innovated transformative solutions to the daunting problems facing Americans, from job insecurity to runaway health care costs. In this powerful critique and call-to-arms, he offers a revelatory dissection of the gathering threats to our standard of living -- threats that our politicians have failed utterly to address -- and he puts forth a bold, unassailable plan for making vital reforms. In his eye-opening diagnosis that makes the urgency of the threats vividly clear, Stern shows that Americans are contending with the most disruptive economic upheaval in the world economy since the Industrial Revolution. Yet, in the face of this daunting challenge, the American system simply isn't working well enough for most of us. Stern powerfully portrays how with the pace of globalization relentlessly quickening, the competitive pressures on our jobs and quality of life are heating up even more, especially as housing, health care, and oil prices skyrocket. While CEO salaries soar and business and the wealthy are handed plentiful tax shelters, the incomes of both white-collar and blue-collar workers stagnate, leaving most Americans struggling to pay off ever-escalating debt, instead of saving for retirement. The plain fact is that our system is out of whack, serving the interests of the top sliver of the most wealthy while putting the...
