BOOSTER REEVES THE NIGHT OF THE REVENANTS

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 122 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. More horror from Troy Blackford, author of *Strange Way Out*, *For Those With Eyes to See*, *Critical Incident*, and more. A combination of terrifying chills and ridiculous laughs so unusual that you'll be crying your eyes out with humor even as you cower under your sheets out of sheer dread for your imaginations' sanity. Answers the question: What's it like to be scared out of your wits while laughing yourself to the point of drooling with a resounding "Very good, sir." A great job entwining humor with sheer horror. The author has taken the genre of horror up several great notches. Absolute delight and perfection. . . . a truly enjoyable book. Seldom did I laugh so much while reading a story. Another surefire winner from Troy Blackford. A horror twist on P. G. Wodehouse. I laughed myself silly through this. . . horror tome. On what seems to be a perfectly ordinary night, young Broderick Brodie Booster flips on the evening news to find that New York City has been overrun by hundreds of thousands of reanimated corpses. Every step of the way, they encounter the unusual, the sinister, the depraved, and the hilarious. From irritable diva news reporters to crab-like zombies and arachnid pooches, things go from weird to worse. Without the help of the unflappable Reeves, the ditsy Brodie would have been munched for what...
