Violence begets violence. Mel is miserable through his young life. Tormented and beat by bullies, too small to fight back. Once reaching puberty Melvin s physical characters change and he becomes a man too quickly. The story reflects the hardships of marriage and fatherhood as a farm worker in the Southern California desert. From there Mel goes on to become a police officer then soldier. Jail and homelessness only exacerbated his iniquitous behavior. Melvin Marcus is the pre-sequel to the Jake Smith Mystery series. The novella ends where BANG STICK starts.
