Fordham University Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Freedom and Law offers a provocative new view of the relationship between human desire, the production of knowledge, and conceptions of power by developing a nonpolemical account of divine law. Where recent trends in political theology have insisted upon the antagonistic nature of the law, this book presents the paradigm-altering power of a discourse in the nexus between law and freedom. It demonstrates how this nexus catapults religious thought into a free and powerful engagement with nonreligious political, ethical, and social positions. Freedom and Law challenges a contemporary wave of scholarship, including the work of Jacob Taubes, Giorgio Agamben, and Slavoj Zizek, that identifies Jewish law as the originary source of polemic between nations and therefore as historically responsible for the exceptionalism that undergirds contemporary conflict. By contrast, Freedom and Law argues that only in an account of revelatory law can divine freedom and human freedom be thought of without contradiction. The first part analyzes the logic of exceptionalism. In the second part, the author argues that one cannot invoke a doctrine of election without rigorous scrutiny of texts that portray an electing God and an elected people. Once we scrutinize these texts, the character of freedom and law within the divine-human relationship shows itself to be different from that found in exceptionalist logics. The third and final part examines the impact of the logic of the law on Jewish-Christian apologetics. Rather than require that one defend one's position to a nonbeliever, this logic situates all epistemological justification within the order or freedom of God. If the condition of the possibility of my claim is the reality of divine freedom, such freedom also justifies the possibility of another's claim. In a significant contribution...
