## DESCENT

Dog Ear Publishing, United States, 2015. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A high school English teacher assigns his British Literature class a project about the violent tragedies gripping the nation. Surprised by push-back from parents and caught in a web of manipulation and control, he discovers answers in the least likely of places, deep in the roots of the Judeo-Christian tradition that he had rejected most of his life. Eliot was right about one thing, that April was indeed cruel, though the cruelty began long before that. In February, of all Midwestern months, the flowers pushed their way up through the earth. Such a gentle thing to penetrate crust and clay and snow . . . tender buds frozen in the strange spring snows of March. But it was in April that the first ones began appearing . . . their naked flesh revealed for all to see . . . to think that the roots of it all were biblical, more ancient than I had ever known . . . Jeremy Bryan Hawkly is a Cincinnati, OH native and lover of Fountain Square and the Genius who watches over our city, perhaps some of life s most ardent seekers the world-over. Join us as the world arises from the ashes of domination and oppression and control for a world of freedom within and without, a freedom not earned by violence but one claimed breath by breath, dream by dream, stillness and rootedness in the deeper energies of the sacrum of the world. All are welcome here. Come find your home within that calls your name by day, by night. Tenderheart Ohio Valley is a gathering of authors and creatives who offer their works for publication and...
