I m one of the most sought after talent agents in Los Angeles. I represent some of today s hottest stars, while making a ton of money and rubbing elbows with Hollywood s elite on a regular basis. Parties, schmoozing, and making deals? It s what I do. I m a rare commodity in Hollywood. a woman with power. And I came from nothing. So it s that much sweeter to have made it. And where is nothing? Whitmer, Montana. It s my hometown and the place that still haunts my dreams. As soon as I was old enough I escaped it all; the pain, the past, and HIM. Hayes Calloway. We were once just two crazy, small town kids in love. I ve known him my whole life and he s the man I once gave everything to. I was positive he was going to be my forever.until a tragedy obliterated our world and my family. Hayes was part of the collateral damage. Leaving Whitmer was easy. Leaving him was the hardest thing I ever had to do. So that s why I stay away. Whitmer IS Hayes and I can t go home. Ever. Until one day, I get a phone call. The only kind that could ever get me to come back. One that will ensure nothing will ever be the same.
