## THREE SOLDIERS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Three Soldiers is one of the major American war novels of the First World War, and remains a classic of the realist war novel genre. This powerful exploration of warfare's dehumanizing effects remains chillingly contemporary. This grimly realistic depiction of army life follows three young men as they contend with the regimentation, violence, and boredom of military service. Fuselli, a San Francisco store clerk, embraces conformity in the hopes of a promotion. Chrisfield, an Indiana farm boy, and Andrews, a gifted musician, are repelled by the army's mind-numbing routines and battlefield horrors. John Roderigo Dos Passos was a radical American novelist and artist active in the first half of the twentieth century. His novel, Manhattan Transfer, became a huge commercial success but he is perhaps best known for his U.S.A. trilogy which consists of the novels The 42nd Parallel, 1919, and The Big Money. In 1998, the Modern Library ranked the U.S.A. Trilogy 23rd on its list of the 100 best English-language novels of the 20th century. An artist as well as a novelist, Dos Passos created cover art for his books, was influenced by the modernist movements in 1920s Paris, and continued to paint throughout his lifetime.
