

The dark side of globalization (Paperback)

Filesize: 8.14 MB

Reviews

The most effective pdf i ever read through. I am quite late in start reading this one, but better then never. Its been developed in an exceedingly simple way in fact it is only soon after i finished reading through this pdf by which in fact altered me, modify the way i think.

THE DARK SIDE OF GLOBALIZATION (PAPERBACK)

DOWNLOAD

United Nations, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Seen by some as a desirable and irreversible engine of prosperity and progress, globalization is resisted by others as the soft underbelly of a corporate imperialism that plunders and profiteers in the global marketplace. Globalisation has brought many benefits, including the reduction of poverty in several countries. But it also has a dark side: the unleashing of negative forces as a result of the compression of time and space made possible by modern technology. Examples include the transnational flows of terrorism, drug and human trafficking, organised crime, money laundering, and global pandemics. How do these various expressions of uncivil society manifest themselves? How do they exploit the opportunities offered by globalisation? How can governments, international organisations and civil society deal with the problem? From arms trafficking in West Africa through armed insurgencies in South Asia and the upsurge of jihad in the age of globalization, this book examines the challenges that the dark forces of globalisation pose to the international system and the responses they have triggered. Written largely by authors from developing countries, the book s goal is to help maximise the beneficial consequences of globalisation while muting its baleful effects.
