Table of Contents Introduction Who Needs to Know How to Survive in the Woods What You Need In Order To Survive Deadly Animals to Avoid What to Do During the Day and Night Conclusion Author Bio Publisher Introduction The beautiful scenery and fresh and breathtaking views of forests makes them some of the best places to visit. There are countless number of attractive plant and animal species in forests and therefore most people are tempted to go deeper and deeper into the woods. When venturing into the forest, you might find yourself lost within a few hours of entering it. Unless you know your way out of the forest, you ll be forced to spend a few days in the forest while waiting for help or trying to figure out how to get out. This means that the only way you can be alive and healthy when help arrives is by knowing how to survive in the forest. Unlike deserts and dry areas, forests are characterized by heavy rains and mud throughout the year. In Polar Regions, temperatures in...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
