

Faith and Feminism: Ecumenical Essays

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Westminster/John Knox Press,U.S., United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Faith and Feminism brings together leading voices in biblical studies, inter-religious encounters, theology and ethics. Originally delivered as part of the Phyllis Tribble Lecture Series at Wake Forest University School of Divinity (2003-2013), these essays demonstrate the breadth of feminist interpretation on compelling topics: interpretation of sacred texts; Judeo-Christian and Islamic perspectives; gender and sexuality; race and cultural identity; and ecology and religion. An international group of writers, both established scholars and new voices, contribute. Readers can explore the impact of feminisms on faiths and faiths on feminisms.
