

In the Company of Redwoods: An Interactive Guide to Learning 50 Redwood Community Plants Through Hand Tinting (Paperback)

By David Bruce Casterson

Natural Sight Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the Company of Redwoods is a book that kids, students, parents, teachers, artists, botanists and grandparents alike will love, for it makes it easy to learn the names, facts and faces of the understory plants most commonly associated with the Coast Redwood. It is designed to be carried on walks in each of the more than 60 Redwood State Parks and Preserves in coastal California from Big Sur to the Oregon border. In the Company of Redwoods was written by a high school biology teacher with extensive field trip experience in the Redwood forest. It is designed to be an interactive guide to learning about the lives of the understory plants that have evolved to live in close association with Coastal Redwood trees. The plants are arranged by bloom dates so that when the reader encounters one of them blooming, thumbing forward or back a few pages in the book will yield other plants to learn. Each of these Redwood community plants is covered in a two page fashion, the left-hand pages are text pages, providing interesting facts and stories covering...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- **Andres Bashirian**

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
