CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 346 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. The reader will find in this book a firm assurance of Gods care of mankind as a whole and of each human being. The assurance is rested in Gods infinite love and wisdom, the love pure mercy, the wisdom giving love its ways and means. It is further grounded in an interpretation of the universe as a spiritual-natural world, an interpretation fully set forth in the earlier book, Divine Love and Wisdom, on which the present work draws heavily. As there is a world of the spirit, no view of providence can be adequate which does not take that world into account. For in that world must be channels for the outreach of Gods care to the human spirit. There also any eternal goal--such as a heaven from the human race--must exist. A view of providence limited to the horizons of the passing existence can hardly resemble the care which the eternal God takes of men and women who, besides possessing perishable bodies, are themselves creatures of the spirit and immortal. The full title of the book, Angelic Wisdom about Divine Providence, implies that its author, in an other-world experience, had at hand the knowledge which men and women in heaven have of Gods care. Who should know the divine guidance if not the men and women in heaven who have obviously enjoyed it The laws of divine providence, hitherto hidden with angels in their wisdom, are to be revealed now As it is presented in this book, providence seeks to engage man in its purposes, and to enlist all his faculties, his freedom and reason, his will and understanding, his prudence and enterprise. It acts first of...
