

Chimeras and Other Writings: Selected Papers of Sheldon Bach (Paperback)

By Sheldon Bach

Ipbooks, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the foreword by Steven Ellman, PhD: The reader who has not read the papers in this volume is in for a rare treat: the discovery of new worlds revealed within what were thought to be familiar spaces. I believe that those who have already read some of the chapters in this volume will have the experience of rediscovering precious clinical and theoretical gems that have influenced many therapists and analysts. In fact, Bach's influence has quietly spread throughout the field often without various authors fully acknowledging or perhaps realizing his impact on their concepts. I feel certain that readers will share my excitement in reading the chapters in this current volume. Undoubtedly Bach is known for many other contributions to the analytic situation as compared to his statements about analytic trust. For example, he provides us with descriptions of several types of transference in the treatment of narcissistic patients. He features interventions to help bridge the various divides in narcissistic patients. He also points out that in the type of treatments he describes the analyst's own narcissistic equilibrium is always strongly put...
