DR. NOSTREDAME S ENVIRONMENTAL VERSES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dr. Michel de Nostredame saw our future 460+ years ago and decided to warn us. This intelligent Jewish Frenchman was a Soul-Traveler who saw heard everything on American TV. When you read his verses, his intended meanings will be visible. I found what he was doing purely by accident when I discovered his Pearl Harbor verse and found it easy to translate. He used every literary trick in the book and then invented a few of his own. He warned us of our impending doom on April 9-16 of 2066 by a returning giant Comet which already destroyed our planet 3 times back when it was still known as Atlantis. He tells us that we have a sister planet in our orbit that we cannot see since it is directly behind the Sun! It s name is Heven. It was originally called Hevan or Heven uptil the Babylonians renamed it for their Water God EA. EA is in everything to do with water; Seas and Oceans; Heart and Hearth; Heaven and Earth! All three spellings are recorded in our Bibles! The Comet s last visit was on Mar. 12/4145 B.C. and the one before was on DEC. 21/10,389 B.C. In 7 days our world was re-created, again by the returning Comet. The giant Comet has a cycle of 6,244.7770 years as can be seen on the Temple of the Feathered Serpent in Teotihuacan, Mexico. The Egyptians/Atlantians had well over 100 years to prepare for it; we have 49 years left! All their records and important people were placed inside a Pyramid they had built for the purpose. It was filled with water to drink, and seeds to eat; and also...
