Skyhorse Publishing, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Every summer for two decades, Ted Leeson and a maverick group of close companions have returned to an old ranch house on the benchland overlooking the Madison River. Trout and fly fishing may be at the heart of their ritual return, but their experience goes far beyond fishing. For these men, fishing is more than a hobby: it s a way of life. Leeson brilliantly contemplates both the human and natural landscape: the fly-anglers passionate, ironic, and sometimes hilarious allegiance to what they do; the intriguing Madison Valley and its creatures and flowers; the trout town of Ennis; maps and their revelations; the green-card experience of living in a place you aren t originally from; the nature of leisure. Full of wit, surprise, shrewd observation, and wisdom, this book tells a story about creating a place of temporary liberty, and inhabiting a world fashioned of your best imaginings, where you might, for a time, experience the potency of a place that has shaped you immeasurably and, in turn, you have shaped as well. No lover of the very best writing about fly-fishing and the natural world can afford to miss this stunning book. Whether you are a seasoned fisherman, or a curious newcomer, this book will make you want to pack up and head for the Madison Valley to experience Leeson s world for yourself. Skyhorse Publishing is proud to publish a broad range of books for fishermen.
