

Into the Stillness: Dialogues on Awakening Beyond Thought (Paperback)

Filesize: 7.51 MB

Reviews

Completely essential go through book. It really is simplistic but excitement inside the 50 % of the pdf. I am very easily will get a satisfaction of studying a composed book.

(Damian Poulos)

Non-Duality Press, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. At once extraordinarily wide-ranging and sharply focused, Into the Stillness offers several deceptively simple and informal conversations about life, existence, and identity in one book. This is an important book. Don't be misled by the casually graceful repartee and lightness of touch. Without dogma, without heavy shoulds and should nots, authors Gary Weber and Richard Doyle point toward something eternal, framed in our twenty-first-century understanding of neuroscience, spirituality, and something that arises from, and returns to, the Stillness and the Silence. In Into the Stillness, Weber and Doyle offer a practical investigation and guidance toward the sweetest, fullest, most loving, caring, and manifesting experience that anyone could ever wish for. Chapter headings include Using dialogue for awakening, Can you do nothing and awaken?, Why do we fear emptiness, silence, and stillness?, and Functioning without thoughts: sex, psychedelics, and non-duality. As a journey, this collection of dialogues is inspiring, shifting, and full of little moments of insight that will linger for a long time afterward.
