The Power of Ten is an inspired work that successfully intersects dimensional theology, spiritual theory, and temporal existence. You and author R. F. Licari become fellow classmates in a classroom called Earth, a dualistic, dimensional reality that has conflict as the main course of study. However, here Licari provides a possible lesson plan that can enable the reader to transcend individual conflict-and with enough numbers, may just prompt a new global consciousness. Join R. F. Licari as he guides you through ten diverse human attributes that when fully understood become ten unifying spiritual powers. This amazing journey will help move you from sleeping ego to awakened entity as you rediscover the existent conduit that lays between multi-dimensional comprehension (finite possibility) and spiritual awareness (infinite opportunity). Perhaps it will assist you even in the recalling of your true purpose-which is your unique spiritual plan. Life experience and awareness, research and personal discovery come together to enable the author to share this gift of gratitude and renewal-which in turn can provide the reader abundant opportunity for personal transformation. Tap into Your Ten Powers!.
