Brand New Book ***** Print on Demand *****.Mac Nelson was an energetic teacher and church worker when his arms, hands, and fingers became partially paralyzed from advanced arthritis and severe stenosis of the cervical spine. Not willing to give in to this handicap, Mr. Nelson turned to God for guidance and discovered that confession, repentance, and forgiveness are the foundations for Divine healing. Through intense pain and weakness and the ordeal of an eleven-and-a-half-hour surgery, this story also journeys into the personal and emotional grief that Mr. Nelson experienced over Hurricane Katrina and how this grief set back his progress. But renewed faith, spiritual discoveries, and profound encounters with the Almighty highlight this account, which culminates with a miraculous healing on a sidewalk in New York City.
