Reviews

This publication is wonderful. It can be rally fascinating through reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

WISDOM 2.0: THE NEW MOVEMENT TOWARD PURPOSEFUL ENGAGEMENT IN BUSINESS AND IN LIFE

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Wisdom 2.0: The New Movement Toward Purposeful Engagement in Business and in Life, Soren Gordhamer, This title offers user-friendly guidance for the millions of people attempting to strike the right balance with computers, mobile phones, blackberrys and ipods. Having traded face-to-face contact for the rush of online communication, technology speaks to, but never quite fulfills, a profound need for connection-in ways that are addictive, but not ultimately satisfying. Worse, utilising such technologies becomes a compulsive action, rather than a creative process-and the resultant stress is likely to impede the very multi-tasking and efficiency that the technology was meant to inspire. Gordhamer brings the wisdom of Eastern meditative practice to calm the frantic anxiety produced by our Western high-speed technoculture.
