CONFESSIONS OF AN AMERICAN DAD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Family Values is something we hear about all the time by politicians and pundits, preachers and proselytes, who paint a picture of crumbling families and a deteriorating social order. The rhetoric is of fear and exclusion, and is completely divorced from any notion of what the American family is actually like. Finally, Russell King brings sanity, respect, and honest insight into the debate. At last, a poignant look at one father's efforts to make family values synonymous with inclusion, growth, community, and love.
