Ernesto Santiago was just an ordinary young man working part-time as a security guard for the San Diego metropolitan art museum. Ernesto worked the grave yard shift at night and during the day he attended college. Ernesto had big dreams to become a museum art gallery consultant and a history art teacher. However, Ernesto's quiet mild-mannered ordinary college life was about to change. Ernesto would be faced with a life-changing event that would shape his true understanding of who he was and possibly where he came from. Ernesto's concept of knowing what was reality and fantasy would also be questioned. Ernesto Santiago would quickly learn that his obsession over art and history would lead to the path of true love or evil powers he should never reckon with. A portrait of a beautiful woman and a seductress evil curandera (healing witch) would stand in his way of coming to grips of who he really was and what his ultimate destiny was to become. This item ships from La Vergne, TN. Paperback.
