Broadway s Prize-Winning Musicals is an indispensable guide for collectors of audio recordings of Broadway s award-winning musicals. It presents, for the first time in one volume, shows that were recipients of Tony Awards, New York Drama Critics Circle Awards, Pulitzer Prizes, or Grammy Awards. Also featured are the recordings of shows selected on the more subjective basis of listening enjoyment or budgetary considerations. This comprehensive approach helps librarians and fans compile a well-balanced collection by providing as diverse a selection of musical styles as possible, always keeping in mind the historical and artistic importance of individual shows, scores, or performances. A fascinating introduction to recorded musicals, it provides a select listing of the best and most readily available award-winning shows representing the entire span of the genre s history. The first volume ever to organize Broadway musicals into groups by major musical awards, this guide is an essential tool for libraries with audio visual departments, audio collectors, music fans, critics, performers, producers, and patrons of the arts. Some of the intriguing information found in this book includes: * a handy checklist of titles, record labels, and inventory numbers * plot summaries, cast lists, key song titles, positive and negative reviews, composer information, background information, and notations on any film versions of the show * the unique contributions of such Broadway greats as Cole Porter, George and Ira Gershwin, Andrew Lloyd Webber, Rodgers and Hammerstein, Irving Berlin, Stephen Sondheim, and many others * a guide to finding out-of-print recordings * a bibliography of musical histories and biographies of composers * a guide to recorded...
