Leigh Stone, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My name is Katriona Marshall and I am a dominatrix. I get my kicks from the power men bestow on me, and the submission they gift me with. Or at least that s how it used to work. One night in a hotel room a few hundred miles from home I found something I didn t even know was missing. I found him. Defiant, alpha, not traditional qualities of the usual submissive. But there was just something about him, he was different, so different that it made me want to get more. To find out that I had met someone who actually lived a short distance from me was completely unexpected. So here we are, trying to understand how to make this work between us. How I can indulge his bratty ass while all the while indulging myself. I am still the Domme, but now it s evolved.
