Soil (Paperback)

By Jamie Kornegay

Hodder Stoughton General Division, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. It begins as a simple dream. An idealistic environmental scientist moves his wife and young son off the grid, to a stretch of river bottom farmland in the Mississippi hills, hoping to position himself at the forefront of a revolution in agriculture. Within a year, he is ruined. When a corpse appears on his family's property, the farmer is convinced he's being set up. And so begins a journey into a maze of misperceptions and personal obsessions, as the farmer, his now-estranged wife, a predatory deputy, and a backwoods wanderer, all try to uphold a personal sense of honour. By turns hilarious and darkly disturbing, *Soil* traces one man's apocalypse to its epic showdown in the Mississippi mudflats.
