Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The new age of car selling is here! This book will teach you how to read and understand your customer and get them to buy now. It s designed to have you on the selling side of life. It will teach you how to best win over others by building rapport and trust! You ll accomplish this in a surprisingly short period of time. Your customer is looking to you to be their consultant guide and get them the answers they are searching for. If you apply what you learn in this book with all of its sales tools you will make more sales and greater profits. Even if you are a seasoned salesperson, this book will increase your income. If you are new to the business, you ll find making sales easy and enjoyable. In life you are either buying or selling! From family, friends or just people you met, like a new customer. They could be selling you on the best movies to see, what restaurant to eat at, or the right person to vote for. The list is endless! You will learn how to read your customer s body language. This will help you interpret what they re thinking even before they utter a word! You will know what they are saying and what it means to them on a subconscious level. Even when they are unsure themselves, you will still be able to read their intentions. Studies have shown that 55 of what we communicate is through body language. This is why it s so important to learn to read the signs the human body is sending you. Human beings are constantly sending out signals and if you...
