BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A plane crash in the desert. Doubles lurking in the shadows. A missing wife. A clairvoyant mistress. Eight demons. A thousand corpses. One savage journey through the Wastelands of China. Logan Solomon is a Southern gentleman who has lived in Beijing far too long. Aside from the shady business deals, surveillance jobs, and the often decadent lifestyle of the jaded foreigner, he has also managed to alienate his wife Li Na while associating himself with very rough characters some who might not even be human. Following a seemingly chance encounter aboard a train, a chain of events is set in motion that will change Logan s destiny forever, and leave a trail of dead in the wake. When Li Na goes missing somewhere in the bamboo forests of Sichuan, young Solomon conjures up the darkest of forces to assist him in getting her back a decision that may cost him not only his own life, but those of countless others along the way. On their pilgrimage west to find her and kill whoever is responsible for the abduction, these four strangers will encounter villainous doppelgangers, thugs who vomit locusts, whorehouse succubae, satanic congregations...
