Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Hog Cholera: Farmer s Bulletin, Department of Agriculture State of Tennessee It was only a few years ago when no less than fifty-one counties in Tennessee were in rigid quarantine, both Federal and State, on account of the widespread prevalence of the Southern or Texas fever tick. Not over five years ago that great scourge to the sheep-raising industry, scab, invaded the flocks of the Volunteer State. Unceasing warfare on the tick by the State and Federal Governments in cooperation with the county authorities eradicated the tick, and the State has been released from quarantine and the markets of the world opened up to our Tennessee-raised cattle. The day will never come again when our cattle owners will be called upon to sacrifice their cattle on account of either State or Federal restrictions against their free movement to market centers. One of the first official acts of the Department of Agriculture after the induction of Capt. Thos. F.Peck into the Commissioners chair was a determined assault by State, Federal, and county authorities (eleven counties in...
