## RAISINS AND ROACHES: A THREE MONTH DIARY OF A CRACK ADDICT

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Raisins and Roaches is the story of my two years of heavy addiction to crack. I didnt drink or smoke pot. I just wanted crack. I couldnt be trusted anymore and that was my big claim to fame, my trustworthiness with everyone. Raisins are the good guys in the crack world. They have little black faces like raisins visible under their big sports hats and jackets and they always have on expensive shoes. Those are real crack dealers. You are safe with them. They will protect you and also sell you high quality drugs. They control the lots and buildings where they work. They get you in and get you out. They get your money and you get packets of dope. Roaches are the creeps who prey on the customers when the regular gangs are not working. Naturally you look for the raisins first, but they are only out there when they have a shipment of rocks to sell. The rest of the time, you are on your own. Everyone is your friend and no one is your friend. Desperation rules. You are desperate and everyone else is also. Money doesnt necessarily mean dope. You still got to find somebody you can trust to give the money to. Most people cannot be trusted because they want to get buzzed as bad as you do. Some people think they are bigger than coke. I guess I did also, but I found out the hard way that I am not. Coke is an overpowering monster. It controls us from the inside out. Our very souls get addicted. Total loss of self-control. Nothing else matters except to get...
