iUniverse, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Companies get into trouble due to ineffective management decisions, but most books on management don t focus on making better choices. Perhaps that s because not many were written by CEOs with effective leadership track records. Martin Richenhagen, who has successfully led multimillion-dollar companies, presents this guide illustrating how a business leader must approach various situations and challenges. In the fast-paced, change-on-a-dime business world, these kinds of insights are essential. Whether you re a CEO, a senior manager, or an up-and-comer preparing for the future, Simply Management can help you improve your day-to-day effectiveness and leadership. You can learn how to develop a strategic plan that meets business objectives; organize the company for maximum effectiveness; motivate, empower, and help employees advance; and set up proper governance and controls. Case studies show how to avoid managerial mistakes and duplicate best practices that lead to the best outcomes. The manager s essential contribution to productivity must always involve focusing on managerial tasks and delegating expert responsibilities, and you can do it right with Simply Management.
