Reviews

It is really an incredible publication which i actually have possibly read through. It really is written in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Jodie Wehner)

Pan MacMillan, United Kingdom, 2011. Paperback. Book Condition: New. Reprints. 198 x 130 mm. Language: English . Brand New Book. Clay is a successful screenwriter, middle-aged and disaffected; he s in LA to cast his new movie. However, this trip is anything other than professional, and he s soon drifting through a louche and long-familiar circle - a world largely populated by the band of infamous teenagers first introduced in Less Than Zero. But his debauched reverie is about to be interrupted by a violent plot for revenge and Clay s seemingly endless proclivity for betrayal and exploitation looks set to land him somewhere darker and more ominous than ever before. A murder mystery - a woozy, paranoid, hallucinatory version of LA noir Sunday Times Brilliantly written and coolly self-aware .Here, as in Less Than Zero, Ellis is plumbing the depths of human nature, exposing it at its worst. Observer The novel is a kind of modern noir and, as in Chandler, the form s accepted master, atmosphere is king. Paranoia prevails Independent on Sunday.
