Gareth Stevens Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book. Amphibians share many characteristics, including slimy-looking skin and a life cycle that includes time in the water and time on land. Many species of these fascinating animals have their own unique look. In this book, readers are introduced to the amphibian group and then are shown a super close-up of an animal. The following spread reveals what amphibian it is as well as more information about it. With cool images of amphibians such as the purple frog and the mysterious caecilian, this book is sure to intrigue readers with awesome, understandable biology information.
