BRAVING THE STRAITS: THE MCKENNA CONNECTION: BOOK THREE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Intelligence agent Marlin Beck knows something so significant, so critical that he simply has to pass it on to the Director of the Central Intelligence Agency for action. There s only one problem: Beck is in no condition to pass anything on to anybody. Waking up in a hospital with a bandage wrapped around his head, the only detail he can recall is that he met with a Cuban defector before everything went blank. And that critical piece of information he so urgently had to give to the Director? It is gone--completely wiped from his memory. But the CIA has a pair of analysts who are more than capable of figuring out what Beck had uncovered: Mitch and Polly McKenna. They will interview Beck s colleagues and retrace his steps until they discover the message Beck knew would be of critical importance to the US Intelligence Community. Since the McKennas believe they won t have to travel to a foreign locale or meet with any unsavory characters, they assume the mission will be an easy one. But, as often happens with Mitch and Polly, all is not as straightforward as it seems, and their assumptions almost always prove to be wrong. This time Polly s old nemesis, Elliott Brenner, is back in the game. And this time he will not fail to land a final blow. In Book Three, the McKennas will have more than Beck s memories to recover. They will also be forced to brave the straits of their increasingly bumpy marriage,one built on a foundation of sketchy disclosures about Polly s past.
