Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Lucy and her pack are back in this sequel to Beth Vrabel s heartwarming and humorous debut, Pack of Dorks. Sheldon convinces Lucy, Sam, April, and Amanda to join him at a weeklong sleepaway summer camp - Camp Paleo: Live Like a Caveman. Like cavemen, they re going to have to make do without air-conditioning or a heated pool. They ll learn archery and dig for fossils. And Grandma s coming, too; she s taking a job as lunch lady for the camp next door. At the last minute, Sam backs out to go to a gymnastics training camp instead. Lucy wonders why she misses him so much - it s not like he s her boyfriend or anything. Why does the word boyfriend make her blush, even when she s only thinking it? She needs a distraction. Enter Mr. Bosserman, the grouchy camp leader who won t budge on the caveman aspect of the camp. The old man needs some softening up, and Lucy knows just the person for the job: Grandma. One successful match made, Lucy starts to see potential lovebirds everywhere. And setting up couples keeps her from facing the question tickling the back of her mind: Is she in love with Sam? But when the wrong campers fall for each other, the pack falls apart, all under the watchful eye of a supersecret blogger who s been writing about the camp s activities Gossip Girl-style. Even worse? A thief is targeting everyone but Lucy, setting her up to look guilty. Soon Lucy again finds herself alone, left to fix the messes she s made and face her own feelings. If she fails, the pack may be splintered for good. Sky Pony Press,...
