In a world drenched with corruption, one detective will discover the heart-wrenching effort it takes to maintain the balance between them all. Facing the chaos of a rising population and a brewing conflict of international proportions, the D.M.D.C.'s reputation as a safe-haven is quickly fading. Behind the scenes, government officials struggle to maintain the status quo and salvage what little remains of the District, while bodies continue piling up on the front lines of an even bloodier States War. The line dividing right and wrong, guilty and innocent, becomes fainter by the minute, as The District Trilogy continues with Sons of Vice Virtue.
