TEN DAYS TO MADNESS (PAPERBACK)

Jr Rutherford Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Only Charlie Parker knows that his image as a successful, well-respected family man is a complete lie and with his life collapsing around him he travels to the secluded mountain house that has been owned by his family for generations. Hidden in his father s library Charlie unearths a bizarre diary that claims a rogue tribe of Cherokee Indians stole a fortune in gold coins before the Civil War and hid the treasure in an ancient burial cave in a remote part of the Appalachian Mountains. Compelled by forces he doesn t understand, Charlie embarks upon a self-destructive march to uncover the truth as he discovers his family s darkest secrets. His ancestor s heinous crimes force Charlie to face the demons unleashed by his family from so long ago and he is haunted by nightmares, tormented by a strange man claiming ownership of the diary and terrorized by Cherokee spirits known in Indian mythology as The Nunnehi. The horrifying encounters send Charlie spiraling into an alcohol fueled frenzy to find the Cherokee gold, no matter the cost. Does the gold exist? Are the bizarre events really happening to Charlie or has his mind finally collapsed under the pressures of mental illness, alcohol abuse and a failed business? Those questions linger in the reader s mind until the final page as Charlie battles internal demons and external monsters to discover the truth about himself, and the legend of the Cherokee Gold.
