AuthorHouse. Paperback. Condition: New. 108 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Opinions! Everybody has them, and some people even wish others would keep their opinion to themselves. Maybe youve heard the expression, When I want your opinion, Ill give it to you! In this book, Im giving you my opinion on numerous subjects in very brief passages - in some cases wish no elaboration. You may choose to agree or disagree, which is your privilege, but whether you believe in affirmative action or not, or the Confederate flag flying a top domes of capitols or resting peacefully in a Civil War archive, or the right of gays and lesbians to marry each other or not, or the right to have an abortion or not, youll probably look at your beliefs a little more closely and come around to my way of thinking. If not, you can at least acknowledge the fact that in America, right or wrong, we have a right to our opinions. This item ships from multiple locations.
