Broadman Holman Publishers, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Congregational authority is less about the meetings and more about the mission. Congregationalism has a bad rap for well-known reasons: inefficient meetings, upstart members, browbeaten ministers. But biblical congregationalism isn t so much about the meetings. It s about empowering the whole church to promote and protect the gospel. Pastors lead and equip. Members get to work strengthening one another and pursuing Christ s mission in the world.
