Brand New Book ***** Print on Demand *****.Dear Parent/Teacher: As an educator and passionate child advocate for the last seventeen years with a Master s in Education, I am elated to introduce Buddy the Bunny s Perfect Day-the first book in my classic children s series. Each of my eight characters symbolizes one of Gardener s multiple intelligences, where the focus is not on how intelligent an individual is, but rather, how many ways one is intelligent. The multiple intelligence theory abandons the old premise that limits intelligence to only two intelligences (linguistic and mathematical) that have been traditionally valued in modern secular schools, and conceives intelligence as multiple rather than unitary in nature. In addition to incorporating the multiple intelligences through each of the eight characters, my series is replete with life lessons such as the importance of friendship, learning from mistakes, cooperation, serving others, gratitude, perseverance, courage, and reciprocity. Unlike the average children s book, the elements of plot are evident in each piece within my series. Buddy...
