China Senior Living Ltd, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Today, China s elderly population is approaching a staggering 170 million and in 2025 it will exceed 250 million. This demographic fact coupled with a growing Chinese middle class, have combined to make the senior living business one of the most dynamic new industries on the Mainland. Enter the Ageing Dragon. is an insightful chronicle of one man s experience in the senior living business in China from its very inception.his views on its future development and more importantly, how he was successful. A gifted story teller with intuitive multicultural business instincts, the author artfully narrates the story through the entertaining lens of classical movies about China.
