## Soulless: The Manga, Vol. 3 (Paperback)

By Gail Carriger

Little, Brown Book Group, United Kingdom, 2013. Paperback. Condition: New. Rem (illustrator). Language: English . Brand New Book. Quitting her husband's house and moving back in with her horrible family, Lady Maccon becomes the scandal of the London season, with everyone wishing to know what has caused the rift between the couple. Queen Victoria dismisses her from the Shadow Council, and the only person who can explain anything, Lord Akeldama, unexpectedly leaves town. To top it all off, Alexia is attacked by homicidal mechanical ladybirds, indicating, as only ladybirds can, the fact that all of London's vampires are now very much interested in seeing Alexia quite thoroughly dead. While Lord Maccon elects to get progressively more inebriated and Professor Lyall desperately tries to hold the Woolsey werewolf pack together, Alexia flees England for Italy in search of the mysterious Templars. Only they know enough about the preternatural to explain her increasingly inconvenient condition, but they may be worse than the vampires - and they're armed with pesto.
