Pride Company, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ascension Conner Sutherland never thought he'd meet the love of his life in the Afterlife. Conner Sutherland has been alone for a long time. He can't remember the last time he even felt the desire to be touched by another man. Sometime before his death, when he'd still been Laine's lover. But Laine had found Severo years ago, and if any two people were meant for each other it was Laine and Sev. Where that leaves Conner, he doesn't know, other than feeling lost and out of sorts. He doesn't want to think about the way he feels when he sees Ro-Rogelio, Sev's nephew. Conner's seen Ro grow from pretty boy into a handsome man, but wanting him is foolish and useless. Ro's got a life to live, and even if he does things that hurt Conner, that's not Ro's fault. He doesn't know he entranced Conner long ago. Ro has only ever wanted one man for keeps. It's a pointless want, though, because Conner Sutherland is dead and too busy pranking Laine and Sev to notice Ro anyway. But life, and death, have a way of surprising you, as Ro and Conner find out. Whirlwind Dying sucks, but the afterlife is one hot place to be. Stefan wasn't physically perfect in life, and his search for someone to love him resulted in his murder. Now he's been dead for years, and he's lonelier than he ever was when he was alive. His physical problems might have vanished when his body ceased to live, but his spirit has to deal with the memories of the past....
