What the RAF Airman Took to War (Hardback)

By Bill Howard

Bloomsbury Publishing PLC, United Kingdom, 2015. Hardback. Condition: New. Michael H. Wagner (illustrator). Language: English . Brand New Book. Between July and October 1940, in what became known as the Battle of Britain, a nation held its breath while the pilots of the Royal Air Force battled Hitler's Luftwaffe in the skies above England. A huge number of airmen lost their lives in this hard-fought episode and in the four years of air campaigns that followed, and those who survived faced terrifying risks; as Prime Minister Winston Churchill put it, Never in the field of human conflict was so much owed by so many to so few . In this beautifully illustrated tribute to The Few , Bill Howard catalogues the objects which were essential to every wartime pilot, from the superstitious good-luck charm to the parachute on which his life might have depended and a wealth of other poignant items relating to his day-to-day existence during the air war against the Nazis.

Reviews

Without doubt, this is the very best job by any article writer. It typically does not cost too much. You are going to like just how the blogger write this pdf.
-- Jazmyn Beier II

This book can be worth a read through, and far better than other. It can be written in easy phrases instead of confusing. You will not really feel monotony at any moment of your respective time (that's what catalogs are for concerning if you check with me).
-- Wilber Altenwerth
