Reviews

A very awesome ebook with perfect and lucid information. It is really simplified but unexpected situations in the 50 % of your pdf. I am pleased to let you know that here is the greatest book i have study inside my very own lifestyle and can be he greatest ebook for at any time.

(Noah Bruen)

LETTER OF THE BISHOPS OF BELGIUM TO THE BISHOPS OF GERMANY, BAVARIA AND AUSTRIA-HUNGARY (CLASSIC REPRINT)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Letter of the Bishops of Belgium to the Bishops of Germany, Bavaria and Austria-Hungary A committee of French Catholics published *La Guerre Allemande et le Catholicisme*. A German Committee published an answer: *Der Deutsche Kreig under der Katholizismus. Deutsche Abwehr Franzosischer Angriffe*. A Committee of German-American Catholics saw fit to send an English translation of the German reply to all the Catholic clergymen of the United States, giving as their reason for so doing the old juridical principle: *Audiatur et altera pars*. Whilst the answer of the German Catholics is presented as a reply to the French Catholics, the main parts of it are attacks against Belgium. For that reason it is only proper that the Belgian side also be heard. The French Committee has several Cardinals, Archbishops and Bishops among its members. The German Committee decided not to solicit the membership of German Cardinals, Archbishops and Bishops because purely political aims and polemics regarding Catholicism and the World War are irreconcilable with the dignity and tasks of the Episcopal pastorate. The Belgian Bishops personally and under their own exclusive responsibility took up the defense of their country and gave their reasons for so doing. Whilst they emphatically deny the charges brought against Belgium they demanded a fair and impartial investigation. In the letter of the Belgian Bishops you, as well as all who have read it, will admire their manly courage in denouncing injustice, their calm protestation of innocence and their logical and eloquent demand for a fair investigation and adequate reparation. The Belgian Bishops, writing in Belgium, under German rule, were not in possession of all the documents published in Germany. Neither did...
