Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I wrote these short stories from when I turned 25, back in 1994 to when I was 35.They are a painstaking compilation of imaginary journeys hat record the brief and erotic edge on which I presumed to live. During those years I may have lived actively for a universal cause (as in motive and provocation), namely that of a crucial and abstract phenomenon which our species predominantly refers to as Love, which once again, for me remained confounding and a little hard core, in an elemental sense. I did not ever own a camera so I recorded sensual data through descriptive writing, hopefully capturing those intense and illuminating moments of bliss and abandon, in a literary form. Like photographs, I could always access these experiences if I ever had to recall those years. The characters and locations and events are essentially fictitious and are the sole creations of my imagination. Whatsoever seems traceable to fact is as they say in the movies, purely coincidental. Randomly included are illustrations from an altogether later stage than previously mentioned. These are from my Pop Art series which I painted in 2009 as an art pupil which contain cinematic references. As part of this collection their input remains aesthetic. However you are at liberty to interpret them as you feel. I hope you enjoy the fallacy, myth and desirous energy that illustrates the colourful, vibrant, bold, messy, loud, soft and sticky world of Love is A Cause.(When Virtues are lost to Ludicrous, Erotic Manic Forms of Being).
