Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Germaine Welch)

BEHIND THE EXECUTIVE DOOR: UNEXPECTED LESSONS FOR MANAGING YOUR BOSS AND CAREER**DOWNLOAD**

Springer. Paperback. Condition: New. 174 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Sigmund Freud meets Peter Drucker Behind the Executive Door is a revealing look at the behavior of top business leaders and how the next level of aspiring managers can learn to navigate the political and personal landscape. Based on over 25 years of psychotherapy and consulting experiences, as well as extensive empirical research, Karol Wasylyshyn has identified a dynamic continuum of executive behaviors that are manifested in three specific types of business leaders Remarkable, Perilous, and Toxic. She describes these types in accessible terms with the intertwined goals of helping readers (1) recognize these behaviors and leadership types and (2) leverage this information to increase their savvy and effectiveness in the workplace. In the wake of Sarbanes-Oxley and the increased scrutiny of business executives, we have learned that how they lead is often their undoing or at least it is a pressing development need and/or potential derailment factor. In short, despite financial or strategic smarts, ineffective leadership behavior demotivates talented employees, has adverse effects on productivity, and jeopardizes positive business results. Conversely, we can recognize the qualities of effective leadership behavior, which is largely a function of emotional intelligence, the ability to tap into the needs and motivations of others and bring out their best performance. In Behind the Executive Door, the author provides a wide variety of tools and exercises to help the reader identify the behavior traits of their organizations leaders and hone their own approaches to achieve positive results. In the process, readers will also gain insights and skills to manage laterally and down, as well as up the organizational ladder. The concepts can be applied in any type of organization private or public, for-profit or non-profit. The result is not only a better understanding of...
