Headline Publishing Group, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. My fingers close around the trigger. I pause for a split second to think about the bullets I am about to spray across the ground. After today, I ll no longer be the new girl. Captain Charlotte Madison is blonde, beautiful and flies Apache helicopters for a living. She has completed two tours of duty in Afghanistan and is currently fighting on the frontline in her third. DRESSED TO KILL shows us what life is like for a girl in a resolutely male-dominated environment. But she isn t just a woman in a man s world, she s a woman women aspire to be - glamorous as well as brave, and beating the men at their own game. Only a tiny percentage of people can multi-task to the extreme level the aircraft demands, and most airmen who try to qualify as an Apache pilot fail. Full of the exciting, adrenaline-filled action that has made other military memoirs so successful, DRESSED TO KILL is also unique. A highly intelligent and brilliant young woman, Charlotte is Britain s first female Apache pilot, and the first British female pilot to kill in an Apache. We have, quite simply, never seen the landscape of 21st-century frontline conflict from a perspective like hers. DRESSED TO KILL will appeal to anyone interested in current affairs, but it will also speak to a whole generation of young women who will relate to 27-year-old Charlotte in a way they never imagined possible.
