By Daniel T. Debaun, Ryan P. Debaun

Icaro Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Your Complete Guide to EMF Radiation Safety Protection You eat organic and non-GMO food. You only drink purified water. You take care of yourself and your family s health. But could there be a silent, invisible danger causing potential harm to you and your loved ones? There could. It s called electromagnetic frequency (EMF) radiation and it s one of fastest growing health issues facing our society. EMF radiation produced by modern technology such as cell phones, tablets, laptops, Wi-Fi, and smart meters is an emerging health threat, and we are all guinea pigs in a giant experiment with many unknown consequences. But Aren t These Technologies Regulated and Safe? Surely the government and other regulatory agencies make sure these technologies are completely safe before they are approved for widespread use, right? Think again. Ninety-five percent of American adults use cell phones regularly. Most households have Wi-Fi. And even schools are increasingly becoming dependent on wireless devices. And yet none of these technologies have been proven safe to humans for long-term exposure. In fact, science confirms that the EMF emitted from common electronic devices can cause...
